AI at Full Speed: The Executive Workshop

Thu, Nov 5, 2026 · Denver

Who it's for

Executives: Claude and ChatGPT set up around how you run business, with your AI Assistants: Chief of Staff, Chief Authenticity Officer, and your Editor in Chief who take manual tasks off your plate. Enhance your LinkedIn footprint.

Business owners: Your Chief Authenticity Officer and Editor in Chief ensure your communications are in your voice, and your LinkedIn profile attracts the right customers.

Sales leaders: Learn to leverage AI to help with communications as well as LinkedIn content and still sound human.

Technology leaders: Create Claude and ChatGPT AI Assistants, while receiving security tips to keep your data safe.

Who it's not for

People whose LinkedIn profile still lists the job they left in 2014

Anyone happy to keep AI as a novelty they try once a month

Those who prefer their calendar chaos handmade

People who think "AI slop" is a menu item

Anyone hoping to watch slides from the back row
